

Scope and Sequence

LEVEL 1

Unit 1 Why is school important?

Essential Question	Vocabulary	Language
How do we greet each other? Across Subjects: Social Studies	boy, classroom, Cricket, girl, name, school, student, teacher	Good-bye. Hello. Hi. I'm Julian. She's Luisa. I'm a boy. He's a boy. She's a girl. Are you a boy? No, I'm a girl. Who is she? She's the teacher. She's a student. How are you? Fine, thank you. What's your name? My name is... I'm Cricket. She's Luisa. Stand up. Sit down. Come to the front. They are shaking hands / bowing / kissing / rubbing their noses to say hello.
Why do I need school supplies? Across Subjects: Science	apple, backpack, blue, box, chair, closed, color, crayon, cut, door, draw, friend, glue stick, in, on, open, pair of scissors, paper, pencils, poster, red, rose, strawberry, table, under, yellow; numbers	This is my classroom. This is the door / window. It's closed / open. It's a book. It's in / on / under the box. It's red. Is it a crayon? Yes, it is. No, it isn't. Where's the...? It's in / on / under the... What's this? It's a... What's it for? It's for drawing / cutting / sticking. What color is the...? It's... What color are the...? They're a... What is red in nature? Roses, apples and strawberries are red.
How do we make friends at school? Across Subjects: Math	boy, circle, crayon, Cricket, friends, girl, glue stick, happy, sad, school, scissors, square, teacher, triangle; colors, numbers	Hello. Hi. This is Regina / Ben. She's a girl. He's a boy. They're friends. Is he / she happy or sad? He's / She's happy / sad. I'm happy / sad. Are you happy? No, I'm sad. I'm your teacher. What's your name? I'm Cricket. Look! This is a crayon. It's for coloring. Look! A triangle, a circle and a square. They're friends.
Why do we need classroom rules? Across Subjects: Math	books, box, boy, crayon, door, girl, hand, in, floor, on, one, pencil, scissors, table, teacher, three, two, window	Pick up the crayon. Put away the crayon. Push in your chair. Close your books. Close the door. Open the window. Are they scissors? Yes, they are. / No, they aren't. Please listen! Raise your hand, please! Stand up. Sit down. Line up. Open your books. Please pass the crayon / pencils. Thank you. Put the crayon in / on the box. How many crayons / books / pencils are there? One / Two / Three.

Unit 2 What makes me special?

Essential Question	Vocabulary	Language
What are the parts of my face? Across Subjects: Art	black, blue, brown, ears, eyes, face, green, hair, mouth, nose, one, puppet, puppy, three, two	This is my hair. It's black / brown. This is my face / nose / mouth. My eyes are green. Show me your face. Touch your nose / ears / hair. Open your mouth. I have a puppy face. I have a black nose. He / She has two mouths. He / She has three green eyes.
What are the parts of my body? Across Subjects: Science	arms, body, clap, ears, eyes, face, feet / foot, fingers, hair, hands, head, knees, legs, monkey, mouth, move, nose, octopus, one, point to, robot, shoulders, spider, stamp, toes, two, wiggle	Look! It's my body. I have two shoulders. I'm a Robot. This is my body. This is my big head. I can move with my body. Marion, can you shake your shoulders? Yes, look! She / He can point to her fingers. A spider has many legs. A spider can move. Can you move like a spider?
What can my face do? Across Subjects: Science	angry, black, big, boy, brown, crows, cry, frown, green, happy, humans, red, sad, scarecrow, shake, smile, tears; body parts, facial features	This is my mouth. I'm happy. I can smile. These are my eyes. I'm sad. I can cry. These are my tears. Can you smile / cry? Yes. / No. Mrs. Thrift is sad. Can she cry? Yes, she can. The scarecrow is happy. He can smile. Can a monkey smile? Yes. / No.
What can my body do? Across Subjects: Physical Education	board, chair, clap, color, door, draw, elephant, emu, fly, hug, jump, kangaroo, parrot, run, table, teddy bear, walk, wave; body parts, facial features	Can an elephant jump? Yes, it can. / No, it can't. What can you do with your hands? I can clap. He can walk to the table. Can you run to the board? Yes, I can / No, I can't.

Unit 3 Why is healthy food good for my body?

Essential Question	Vocabulary	Language
<p style="text-align: center;">What food is this? Across Subjects: Science</p>	<p>apple(s), banana(s), brown, carrot(s), chicken, green, ground, ice cream, juice, milk, orange, oranges, peas, pod, pink, red, sandwich, tree, water, yellow</p>	<p>I have one apple. What are these? Chicken, sandwiches, ice cream, juice, milk and water. The oranges are on a tree. The carrots are in the ground. The peas are in the pod. A sandwich, water and milk, please. Who has a sandwich? I have a sandwich. The boy has a sandwich. The boy can eat ice cream, but he can't eat juice. Can you eat a sandwich? Yes, you can. / No, you can't. A sandwich is food. Milk is a drink.</p>
<p style="text-align: center;">What color and shape is food? Across Subjects: Art</p>	<p>brown, chicken, crescent-shaped, counter, dinner table, green, juice, kitchen, lunch box, milk, pink, plate, refrigerator, round, sandwich, shape, square, triangle, two, yellow; fruit, numbers 1 to 5, vegetables</p>	<p>This is the kitchen. The milk is in the refrigerator. The lunch box is on the counter. How many peas can you see? 1, 2, 3, 4, 5. What color are the peas? They are green. It's lunchtime. What is in your lunch box? I have a sandwich, two yellow bananas and juice. What shape are the bananas? They're crescent-shaped.</p>
<p style="text-align: center;">What is good food? Across Subjects: Science</p>	<p>apple juice, candy, carrot juice, chicken, food, green, milk, natural, orange juice, plate, round, water, watermelon; fruit, vegetables</p>	<p>What fruit is this? Watermelon. What drink is this? Water. What is good food? Watermelon and peas are good food. Candy isn't good for you. There is carrot juice. Juice is good for me! There is milk in this glass. Look, milk is natural food. Milk comes from a cow. You milk the cow. Finally, you get milk.</p>
<p style="text-align: center;">What food do I like? Across Subjects: Math</p>	<p>bread, cereal, cheese, eggs, fruit salad, hungry, milk, juice, sandwich, thirsty, yogurt</p>	<p>What food do you like? I like eggs, cheese, yogurt, fruit salad, bread and cereal. Do you like cheese? Yes. / No. I'm hungry. What do you want? I want a big sandwich, please. I'm thirsty. I want juice. Put the cereal in the box. Put the slice of bread with the whole bread.</p>

Unit 4 How are families alike and different?

Essential Question	Vocabulary	Language
<p style="text-align: center;">Who is in a family? Across Subjects: Social Studies</p>	<p>baby brother, brother, brothers, dad, dog, family, grandpa, grandma, mom, neighbor, only child, puppy, sister, sisters</p>	<p>This is a family. This is Mom / Dad / Sister. Hello, I'm Elena. I'm three. This is my family. This is my mom. Her name is Juliet. Who is this? This is Mom. I don't have any brothers or sisters. I'm an only child. I'm a puppy. I have two brothers and two sisters. We can play and jump. We like to sleep. We can sleep all day.</p>
<p style="text-align: center;">How do I feel about my family? Across Subjects: Science</p>	<p>animals, big, book, buck, cake, dance, doe, door, family, good-bye, happy, joey, kangaroo, love, present, read, run, sad, small, talk; family members</p>	<p>I'm so happy when Grandpa's near. I love you, Grandpa, I really do. Mom is reading to me. I am happy when Mom reads to me. Grandma is saying, 'Good-bye.' I am sad when grandma says 'Good-bye.' My dad can read, my dad can dance. I can run, too! Baby can't read. Baby can't talk. But baby can dance. Do kangaroos have moms, too? Yes, they do! A baby kangaroo is called a 'joey.' A daddy kangaroo is called a 'buck.' A mom kangaroo is called a 'doe.'</p>
<p style="text-align: center;">Why do families have pets? Across Subjects: Science</p>	<p>animals, brush, cat, day, dogs, family, food, geckos, house, hug, I, light, love, night, parrots, pats, people, pets, rabbits, sing, song, sunbathe, things, water, yard; family members</p>	<p>We play with our pets. We love our pets. My mom has a cat she loves. She gives it food. She gives it a brush. It's part of our family now. Geckos can be pets, too. Geckos need a house. Geckos come out at night. During the day, Geckos like to sunbathe in the light.</p>
<p style="text-align: center;">How do I have fun with my family? Across Subjects: Science</p>	<p>balls, books, bunnies, bunny, drawing, eat, family, Frisbee, fun, groom, indoors, jumping, large, love, outdoors, play, puzzle, rope, throw, together, tops, trucks, turn; family members, numbers 1 to 6</p>	<p>We all have fun together. What can you do with the books? We can read the books. How many Frisbees are there? Come on, Mom. Come and play trucks with me. Rabbits have large families. Brother and sister bunnies like to play together.</p>

Unit 5 How do I have fun?

Essential Question	Vocabulary	Language
<p>What can I do in the playground? Across Subjects: Science</p>	ball, climb, fun, hamster, hop, jump, kick, monkey bars, pet, play, playground, playground games, run, seesaw, slide, swing(s), wheel	I like the playground. I can play. I can kick a ball. I like the slide. What can she do? She can kick a ball. We like the playground! Hammie likes his playground. He can play with a ball.
<p>How do I have fun in the playground? Across Subjects: Physical Education</p>	ball, big, car, friends, hide-and-see, high, hopscotch, jump the rope, plane, play, play soccer, share, small, soccer, teddy bear, toy airplane, toy car, toy train; numbers 1 to 6	I like to play soccer and play hide-and-see. We like to share. Are you playing with your friends? Yes, I am. I'm playing soccer. I'm playing in the plane, the car and the train. They are big. They are small. I can run. I can kick a ball. Are you playing hopscotch? No, I'm not. I am jumping the rope. I can jump high.
<p>How can I be a friend in the playground? Across Subjects: Drama</p>	cat, climb, dinosaur, dog, down, girl, happy, help, ladder, move, orange, play, playground, rabbit, sad, scared, seesaw, slide, sliding, up, yellow; numbers 1 to 6	Point to the girl. She's Ali. What's she doing? She's climbing up the ladder. Kim the cat and Ronnie the rabbit are playing in the playground. They're happy. Ali is up and Trixie is down. Ali is scared. Trixie is sad. I can help. I can climb up. 1, 2, 3, 4, 5, 6! It still won't move! Ali is not scared. Trixie is not sad. They are happy.
<p>What am I learning to do? Across Subjects: Math</p>	ball, barrel, boy, catch, catching, down, girl, herself, high, jump over, jumping, jumping over, log, myself, quickly, run, running around, slowly, swing, swinging, throw, up	I am swinging by myself. I am jumping over a log. What's she doing? She's swinging by herself. I can't swing by myself. Can you? I can throw a ball. Can you? Yes, I can. / No, I can't. I can throw a ball high / low / quickly / slowly.

Unit 6 How do people and animals interact?

Essential Question	Vocabulary	Language
<p>What pets do people have? Across Subjects: Math</p>	big, bird, black, cat, dog, fish, orange, pet, rabbit, small, turtle; numbers 1 to 7	What's this? It's a dog. What color is it? It's black. This is Alicia's dog, Bruno. Bruno is big. Is Fluffy Alicia's rabbit? Is Fluffy Ben's rabbit? Fluffy is Alicia's rabbit! Do you have a pet? Yes, I do. I have a bird. Yes, I have a fish and seven turtles. Do you have a pet? No, I don't. I don't have any pets. What do you want? I want a fish. How many dogs can you see? Let's count.
<p>How do pets behave? Across Subjects: Science</p>	black, blue, carrots, dog food, eat, fly, food chain, frog, green, insects, jump, lettuce, play, seeds, sing, sleep, snake, spider, spin, web, yellow; animals	The black spider is playing. What does the snake do? The snake sleeps all day. What does the spider spin? The spider spins a web. What does your dog eat? My dog eats dog food. Look, this is a food chain. The snake eats a frog. Point to the frog. The frog eats a spider.
<p>What does my pet do? Across Subjects: Social Studies</p>	arm, ball, blind, catch a ball, climb, disaster, dog food, eat, head, help, hide, jump, lap, my, nod, pets, people, rescue, roll, run, service dog, shoulder, sit, sleep, smile spin, web, working dog; animals; colors	My dog catches the ball. My parrot sits on my shoulder. are two of my pets, Chester and Buster. Chester is a spider. Buster is a dog. Buster sits and rolls and nods his head. Chester spins a web. This is a working dog. A working dog eats and sleeps and plays just like a pet. Working dogs also work. They help people do things. This is carrying a log.
<p>How do I care for my pet? Across Subjects: Science</p>	birdcage, brush, cage, carrots, clean, feed, food, give, guinea pig, grass, hay, help, love, pet, play, toys, wash, water; family members; numbers 1 to 7	This is my guinea pig, Gogo. I love Gogo. I feed Gogo, brush Gogo and give Gogo water. I clean the cage and wash the water bowl. Who feeds the bird? Mom feeds the bird. Does she feed her cat? Yes, she does. Does she wash her cat? No, she doesn't. One. Give your guinea pig a home. Two. Play with your guinea pig.

Unit 7 What do people in my community do?

Essential Question	Vocabulary	Language
<p style="color: #92d050;">What jobs do people have?</p> <p style="color: #c0392b;">Across Subjects: Social Studies</p>	airport, big, chef, dad, doctor, grandfather, hospital, just one, many, mom, pilot, plane, restaurant, school, sister, small, student, teacher	I'm a teacher. I work at a school. I'm a chef. I work at a restaurant. My grandfather is a doctor. My mom is a teacher. My dad is a pilot. My sister is a chef. I'm a student. Is the doctor going to work? Yes, she's going to the hospital. Is the pilot going to work? Yes, he's going to the airport. Some hospitals are big. Some hospitals are small. Some hospitals have many doctors. Some hospitals have just one doctor.
<p style="color: #92d050;">What do people do at work?</p> <p style="color: #c0392b;">Across Subjects: Social Studies</p>	bus, bus driver, cats, class, drive, fire, firefighter, food, help, houses, nurse, people, playground, put out, rescue, serve, sick, teach, teacher, waiter	She's a teacher. She teaches a class. He's a firefighter. He puts out fires. What's the pilot doing? He's flying a plane. What's the teacher doing? She's teaching a class. A firefighter puts out fires in houses. A firefighter puts out fires in the playground. A firefighter rescues cats.
<p style="color: #92d050;">What do people use at work?</p> <p style="color: #c0392b;">Across Subjects: Science</p>	boy, fast, heart, heartbeat, hose, listen, marker, run, stethoscope, use, wooden spoon; numbers 1 to 7; occupations	A doctor uses a stethoscope. A firefighter uses a hose. Doctor Shirley is topsy-turvy. She works in a big hospital. She helps sick people. She uses a stethoscope. This is a fire hose. Who uses a hose? Who uses a wooden spoon? She can listen to the heart. A doctor uses a stethoscope to listen to your heart. Put two fingers on your wrist. Feel your heart beat. Count your heartbeat. Run fast for 1 minute.
<p style="color: #92d050;">What do people wear at work?</p> <p style="color: #c0392b;">Across Subjects: Social Studies</p>	apron, boy, coat, drive, hat, helmet, help, nurse, police car, people, radio, police station, uniform, use, wear; colors, occupations	Is this a police officer's uniform? Yes / No. The firefighter wears a uniform and a helmet. The doctor wears a coat. What's he wearing? He's wearing a uniform. It's red and black. A police officer works at a police station. A police officer helps people. A police officer drives a police car.

Unit 8 What do I know about the earth and the sky?

Essential Question	Vocabulary	Language
<p style="color: #92d050;">What can I see in the sky?</p> <p style="color: #c0392b;">Across Subjects: Science</p>	afternoon, bees, birds, buzz, clouds, daytime, float, fly, green, high, kites, low, midday, morning, plane, red, see, shadow, shine, sing, sky, sun, these, this, whizz, yellow; numbers 1 to 10	The sun is shining. I can see a red plane in the sky. I can see clouds. This is the sun. We see the sun in the daytime. These are clouds. Can you see the sun in the sky in the daytime? What can you see in the sky in the daytime? The birds are singing. The bees are buzzing. The kites are whizzing. The planes are flying. The clouds are floating. It's morning. The sun is low. It's midday. The sun is very high.
<p style="color: #92d050;">What can I see at night?</p> <p style="color: #c0392b;">Across Subjects: Science</p>	bat, big, bright, cat, circle, crescent, dark, dog, fly, go out, look, moon, mouse, night, nocturnal, owl, rectangle, see, semicircle, shape, sky, sleep, square, stars, triangle, walk	What can you see in the sky at night? I can see the moon and the stars. What can you see in the dark? I can see an owl and a bat, a mouse and a cat. When can you see the moon? At night. What shape is the moon at night? The moon is a circle, big and bright. Now it's a semicircle. Now it's a crescent. What shape can you see in the stars, mouse? I can see a square. Can you see shapes? A dog sleeps at night. A cat goes out at night to walk. What is the dog doing? The dog is sleeping. Is a dog a nocturnal animal?
<p style="color: #92d050;">What can I see in the night sky</p> <p style="color: #c0392b;">Across Subjects: Art</p>	beads, comb, day, daytime, down, go up, fields, hair, hang, lift, moon, mortar, neck, night, old woman, pestle, rice, sky, stars, story, strike, sun, telescope, work	She uses a mortar, a pestle, and rice. She is wearing a comb and beads. She creates the night. How can she create the night? An old woman is working in the sun. She has a mortar, pestle and rice. She has a comb in her hair and beads around her neck. As she lifts the pestle, she strikes the sky. The sky goes up. The comb and the beads go up. The comb becomes the moon and the beads become the stars.
<p style="color: #92d050;">What do the sun and the moon do?</p> <p style="color: #c0392b;">Across Subjects: Science</p>	bright, clothes, daytime, dry, give, hot, light, make, moon, night, plants, rain, rainbow, reflect, shadows, string, sun, sunlight, T-shirt; colors	It is hot and bright. There are plants and shadows. There is a T-shirt drying in the sunlight. There is a rainbow. It is night. There is light from the moon. The sun gives us light. The sun helps plants grow. The sun makes shadows. The moon reflects sunlight to give us light at night. The rain reflects sunlight to give us rainbows in the daytime. What color is it?

Scope and Sequence

LEVEL 2

Unit 1 Why is school important?

Essential Question	Vocabulary	Language
How are you? Across Subjects – Social Studies	classroom, cutting, friend, inside, name, outside, paintbrush, painting, playing, polite, school, scissors, shapes, singing a song, student, teacher	Hello! What's your name? Hello! My name is Julian. How are you? I'm fine, thank you. What are they doing? They're singing a song. They are inside the classroom. They're painting. They have a paintbrush. Cricket is a student. The students are playing in the school. They have scissors.
What are the rooms in my school? Across Subjects –Math	classroom, color, crayon, gym, library, over here, over there, playground, school office, science lab; numbers 1 to 15	Where is the playground? It's over there. We are in the playground. The (classroom) is over here. What room is this? This is the playground. What room is that? That is the library. I have a purple crayon. What is your favorite color? Cricket likes his classroom. Find number 1 in the school. What color is number 1? Red. Color the parts with the number 1 red.
Who and what is in my class? Across Subjects –Art	book, color wheel, crayons, boy, forgets, friends, girl, magic cape, primary colors, secondary colors, teacher; colors, numbers 1 to 15, shapes	My name is Ricardo. They are my friends. She is a girl. Her name is Karina. This is my book and these are my crayons. Danny practices the numbers at home, but he forgets 12 and 13. He practices the shapes, but he forgets triangle and rectangle. This time the cape has many colors on it. Danny puts on the cape and he can remember the colors.
What do I do in the school? Across Subjects – Social Studies	books, classroom, do exercise, do experiments, draw pictures, experiments, games, gym, library, pictures, play, playground, school office, science lab, visit the principal	In the library, I read books. In the gym, I do exercise. What do you do in the library? We read books in the library. Where do you play? We play games in the playground. Where do you do experiments? In the science lab.

Unit 2 What makes me special?

Essential Question	Vocabulary	Language
What are the parts of my body? Across Subjects – Math	arm(s), eat, elbow(s), fingers, hug, jump, knees, legs, mouth, neck, run, teeth, tooth; numbers 1 to 10	What are these? The teeth. What is this? An arm. What are these? These are my arms. Can you hug with your arms? Yes, I can. / No, I can't. I have two arms. I can hug with my arms. How many fingers are there in the picture? Let's count. How many fingers do we have? Let's count. I have 10 fingers to count.
What makes animals special? Across Subjects – Science	animals, bears, big, elephants, excellent, fast, giraffe, lions, mane, monkey, neck, nine, nose, parrots, seals, small, snout, special, swim, swimmers, tail, teeth, trunk	Elephants have tails and trunks. Seals and bears have snouts. Parrots are small and they have no teeth. What makes elephants special, Cricket? Elephants are big. Elephants have a trunk. What makes bears special? Giraffes have a long neck. This is the number nine. Parrots don't have a nose. Elephants live on the land, but they can swim. Lions can swim too, but they are not very good swimmers.
What makes insects special? Across Subjects – Science	ant, antennae, bee, butterfly, buzzing, caterpillar, fly, garden, head, honey, insects, ladybug, legs, run, special, talk, walk, wasp, wings	Some insects have six legs. Some insects have wings and they have antennae, too. Adam has six legs and two antennae. Cleo has a lot of legs. Bee, Wasp and Ladybug have six legs and they have wings. They can fly! We can't fly like you, so high. I can run and I can walk. I can eat and I can talk...but I can't fly. Cleo says nothing. What makes bees special? Bees are insects. They have six legs, two antennae, a head and two wings.
What are my senses? Across Subjects – Science	ears, eyes, feel, fingers, hear, insects, mane, monkey, mouth, nose, see, smell, taste, tongue	I can see with my eyes. I can smell with my nose. What can you do with your eyes, Cricket? I can see. I can taste with my mouth. Point to the mouth. Lions have a mane. Point to the mane. There are things we can smell, like perfumes and flowers. What can you do with perfumes and flowers? Smell.

Unit 3 Why is healthy food good for my body?

Essential Question	Vocabulary	Language
Do you like apples? Across Subjects – Math	apples, beans, bread, carrots, chicken, ham, lemonade, meat, orange juice, pears, pizza, rice, spaghetti; numbers 16 to 20	I like apples, pears and rice, but I don't like spaghetti. Do you like apples? Yes, I do. / No, I don't. S is for spaghetti. Do you like pizza? Yes, I like pizza. / No, I don't like pizza.
What is sweet and what is sour? Across Subjects – Science	apples, cookies, crackers, grapefruits, ham, hamburgers, honey, lemons, limes, salt, salty, sour, sugar, sweet, tongue	Apples, cookies and sugar are sweet. Lemons, grapefruits and limes are sour. Crackers and salt are salty. Do you like sweet food? Yes, I do. / No, I don't. I like hamburgers. Do you like ham? Honey is sweet. You can taste sweet food, here. Point to the part of the tongue that tastes sweet food.
What is my favorite food? Across Subjects – Art	corn, crackers, fish, food, grapefruit, hamburgers, hot dogs, hungry, ketchup, lemon, lime, monkeys, mouths, mustard, party, pear, salt, soda, soup, spaghetti	Do you like soup? Yes, I do. Do you like ketchup and mustard? No, I don't. The monkeys look at the food. "I like hamburgers," says another monkey. "I like corn," says the other monkey. Who likes corn? We can't eat the food, but let's prepare the food so it is ready in the evening," says one monkey. "Good idea!" answer the other monkeys. What is your favorite food? My favorite food is (corn).
What are the different meals? Across Subjects – Science	afternoon, apples, bread, breakfast, carrot, chicken, dinner, drink, eat, eggs, glass of milk, lemonade, lemons, lunch, meat, morning, night, orange juice, pears, potato chips, rice, sandwich, soda, sour, spaghetti, vegetables	I have eggs and orange juice for breakfast. I have breakfast in the morning. I eat eggs and I drink orange juice. I have lunch in the morning. I drink lemonade in the afternoon. The Food Pyramid shows the food we need to eat every day to stay healthy.

Unit 4 How are families alike and different?

Essential Question	Vocabulary	Language
How many people are in my family? Across Subjects – Art	baby, brothers, face, family, family portrait, father, fish, grandfather, grandmother, mother, sister; numbers 1 to 10	Do you have brothers and sisters, Sara? Yes, I do. I have a brother and a baby sister. How many people are in your family, Luisa? My mom, my dad, my two brothers, my two sisters and me. There are seven people. I love my father. The boy has a happy face. Do you have brothers and sisters? How many people are in your family? This is my family. There are (five) people in my family.
What are the rooms in my house? Across Subjects – Math	bathroom, bedroom, dining room, eat breakfast, eat lunch, garden, grapefruit, house, kitchen, living room, play, read a book, wash hands, watch TV; family members; numbers 20 to 25.	This is my house. Dad is in the bedroom. Sister is in the bathroom. I play with my toys in my bedroom. I eat breakfast in the kitchen. I read books in the garden. My grandmother is in the living room. The grapefruit is on the kitchen table. What numbers are they? Paste the number 21 here. What's next? Twenty-two.
What is my favorite room? Across Subjects – Social Studies	beach, bricks, city, clean, cold, cook lunch, country, dirty, favorite, have breakfast, house, ice, igloo, palm leaf, palm leaves, room, snowy, wood; activities performed at home, family members, rooms in the house	My favorite place is the living room. In the living room, I watch TV or I read a book. The kitchen is very dirty. We want to have breakfast, but we need to clean first. My bedroom is my favorite room. Houses are in the city are different from houses in the country or at the beach.
What is everyone doing in the house? Across Subjects – Art	on, under; activities performed at home, family members, rooms in the house	My mother is baking a cake in the kitchen. My sister is playing with toys in the bedroom. What Is Mom doing, Cricket? Mom is baking a cake in the kitchen. The cake is on the table. The toys are under the bed. Where is Cricket? What is the sister doing?

Unit 5 How do I have fun?

Essential Question	Vocabulary	Language
Where do I go to have fun? Across Subjects – Math	amusement park, circle, circus, circus animals, clown, crescent, diamond, ferries wheel, heart, movie theater, popcorn, rectangle, roar, roller coaster, round, square, triangle, zoo	It's a movie theater. It's a zoo. It's a circus. What place is this? It's a movie theater. The lions roar at the zoo. I like the roller coaster. The ferries wheel is round. What shapes does he have?
What do I like to do to have fun? Across Subjects – Natural Science	amusement park, circus, clowns, cow, domesticated, elephants, ferries wheel, fun, giraffes, horse, lions, movie, movie theater, non-domesticated, park, play, rabbit, ride, roller coaster, swings, zoo	What do you like to do to have fun? I like to see a movie at the movie theater. Where can you see a movie? At the movie theater. I want to ride on a roller coaster. I like the ferries wheel. Giraffes are tall. You can see a horse in a circus. A lion roars. Elephants have trunks. They are domesticated animals. They are non-domesticated animals.
How do I have fun at the circus? Across Subjects – Math	circus, clown, dancer, do a magic trick, do tricks in the air, help, juggle, jump, magician, ride a horse, tell a joke, trapeze artist, walk on a tightrope; numbers 25 to 30, shapes	The dancer is riding a horse.
